Accidents happen. Get the coverage you need to protect your investment.

If your vehicle is declared a total loss after an accident or theft, it's likely your insurance will fall short covering the full balance of your auto loan. This leaves you to pay off the remaining loan balance on a vehicle you can no longer drive—fortunately, we can help.

GAP Advantage with PowerBuy can pay up to the remaining balance of your auto loan after an insurance payout, protecting you from financial loss. Unlike traditional GAP, this program has the added benefit of providing you with a set allowance toward financing a replacement vehicle with us—getting you back on the road!

Give yourself peace of mind with coverage that will protect your vehicle investment. Speak to one of our representatives to find out how you can add **GAP Advantage with PowerBuy** to your next or existing auto loan.
