

Mastercard® Automatic Billing Updater Opt-Out Form

Tower has implemented a new feature called Mastercard® Automatic Billing Updater (ABU) for all debit and credit cards. Mastercard ABU allows participating merchants to receive your updated card expiration information when your card expires.

If you wish to opt-out of Mastercard ABU, please fill in the blanks below, and either drop this form off at any Tower branch or print and mail it to Tower at the address below:

Tower Federal Credit Union
Attn: Card Services
P.O. Box 123
Annapolis Junction, MD 20701-0123

Please note that as the cardholder, you bear the primary responsibility for updating your card information for any recurring payments. To avoid late payments and penalties, you must contact your merchants directly to ensure your card information (card number, expiration date, CVV code, etc.) has been updated and is accurate.

If you have questions about Mastercard ABU, please contact Tower's Member Service Center at **301-497-7000** or **800-787-8328**.

NAME OF PRIMARY CARD HOLDER

LAST NAME (please print)

FIRST NAME (please print)

TOWER MEMBER NUMBER

You may opt-out your Tower debit card, credit card, or both. Please note that all cards under the same account level (debit or credit) will be opted out.
